Welcome to the world of quality fasteners, allied products and services from the Velcro companies and your Gold Status Distributor!

In this catalog you'll find an overview of a variety of products and services offered by your approved Gold Status Distributor. While this catalog describes many of the popular products

manufactured by the Velcro companies, for practical reasons

it does not include all of the 400+ different fastening systems and components available.

If you do not see exactly what you require to solve your specific fastening challenge here, please inquire about additional product options available from the Velcro companies' approved Gold Status Distributors.

Hook & Loop Product Features
