New attachment for CableWrap

NAB Show 2010
Booth # C10740
Rip-Tie, Inc.

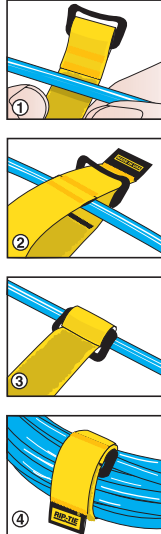

CWB CableWrap with Buckle

- CableWrap with buckle can be installed on a cable easily for temporary installation.
- Attach CableWrap with soft buckle, so that you can release the strap when needed with one hand.
- The soft buckle fits gently, yet snugly to the single cable, won't damage sensitive cables.
- Attach to any thickness of cable easily.
- 10,000 release cycles.
